

14th International FIEC Congress

**25-30 August 2014
Bordeaux (France)**

Second Circular REGISTRATION PROCESS

I. General Information

You are most welcome to attend **the 14th International Congress of the International Federation of the Societies of Classical Studies (FIEC)**, which will be held in Bordeaux (France) between Monday 25th August and Saturday 30th August 2014.

All relevant information concerning scientific or practical matters related to this event is to be found on the **Congress website** (<http://fiec2014.sciencesconf.org/>). This information will be gradually and regularly updated until the beginning of the Congress. You can download the first circular (November 2012), in which you will find the terms of the **call for papers**.

The Congress will comprise two different types of **papers**:

1) **Lectures** (45 minutes) pronounced during plenary sessions by the speakers invited by the International Committee.

2) **Communications** (20 minutes) taking place during the different panels. The Organization Committee will select those communications from unsolicited applications. The organizers are particularly interested in papers that focus on new material evidence, new interpretations of texts or new interpretive paradigms.

Anyone wishing to make a communication of 20 minutes should submit **a title and an abstract (max. 200 words)** to the Organization Committee, indicating in which panel they wish to participate. The details should be sent exclusively by **using the form provided on the website. We shall ignore any abstract submitted either without this form or after September 30th, 2013.** The candidates will receive a notification from the Organization Committee as to whether or not their abstract has been accepted by the **end of November 2013**.

In order to make exchanges easier, the papers should be presented in one of the following languages: English, French, German, Italian and Spanish.

II. Fees, conditions and registration procedure.
